

Learning with iPad

A free-to-attend conference and training event celebrating the innovative, the bold and the creative uses of iPad in Education.

Organised in collaboration with South Tyneside and Sunderland Regional Training Centres, this event includes innovative guest speakers, seven hands-on workshops, and more. This conference offers invaluable training opportunities and great ideas for using Apple Technology in your school.

5 June 2014
9.00 - 15.30

Emirates Durham
Cricket Ground
Riverside
Chester-le-Street,
County Durham,
DH3 3QR

The Speakers

LEGO® Education Europe

The main keynote will explore the importance of creativity and enjoyment in education, and how we can inspire students in all subject areas.

LEGO Education is a global company with a 30-year history developing educational resources and solutions that make learning engaging and challenging for students of all ages.

Apple Education UK

The day will open with a presentation from Apple Education UK, exploring the positive impact that Apple technology has had in schools across England and Wales.
